Monroe Shag Club

The Monroe Shag Club, (MSC) was founded by its charter members in 1987 and was later voted into the Association of Carolina Shag Clubs (ACSC) in 1988. The MSC became incorporated as a non-profit corporation on July 10, 2000. As members of the MSC, we are dedicated and operate exclusively for non-profit purposes. The club objectives are to preserve the shag dance, promote beach music, and to support the community of Union County with our annual charity fundraiser, "Shaggin' For Dollars".

I had a great time at the January dance. There was a large crowd and Skip Mallios played some excellent shagging tunes while Tom Moyer taught us a shagging step that many have incorporated into their routines.

I attended the ACSC meeting in Myrtle Beach, four new members were elected to ACSC Board. A treasurer's report was given and plans for 2020 were discussed especially the parade. Lisa Caveny presented us with a comprehensive outline for clubs to use to assist them in becoming more successful.

There are many noteworthy event events this month such as Nation Freedom Day, Groundhog Day, Valentine's Day and President's Day. February is known as the American Heart month and the Friendship month.

If that's not enough to keep you busy in the middle of the winter, here are some more reasons to celebrate. Super Bowl Sunday, kite flying day, read in the bathtub day, don't cry over spilled milk day, do a grouch a favor day, tell a fairy tale day, and my favorite chocolate mint day.

Have a great time enjoying these and other events with your loved ones and friends.

Hope to see everyone at the dance.

May God Bless.
